But Cat Out of Hell takes things further: What if that plot was part of an ancient occult conspiracy, a feline cabal at the beck and call of a dark lord? Lynne Truss is best known for her humorous defense of English grammar , Eats, Shoots & Leaves , but before that breakthrough, she had published four novels.

Punctuation czar Truss (*The Girl 's Like Spaghetti: Why, You Can 't Manage Without Apostrophes!*, 2007, etc.) turns her very special talents to a cat mystery with a twist: The cats are culprits rather than sleuths or mascots. Everyone knows that most cats haven 't had the powers of Nietzschean Überkatzen—nine full lives, the ability to speak, the whole megillah—for hundreds of years.

As an avid cat lover I was mesmerised by this dark and humourous tale of demonic cats and sinister librarians. Lynne Truss perfectly captures the absolute hold these pesky creatures have over us hapless souls and the fact that no matter what devilment they get up to, they always manage to enchant us with their un-worldly beauty and absolute self-assurance.
