this coloring book is lacking! It could be fab with a few additions and slight changes. First the positive, BB itself contains all the most famous stories and does a great job of also including the lesser known stories and plenty of stories of the women who are heroes too.

My biggest complaint is that I ordered this coloring book and the "Bible Story Coloring Pages" book at the same time. They are the exact same pictures! The only difference is the price and the 2nd book has the Bible story printed on the back of each coloring page.
